MERGER INFORMATION FOR YOU

For our upcoming merger with American Heritage FCU, we need YOU to verify that the information on your account is correct. This is important to make certain you receive all the information on your new account with American Heritage. Please send an email giving us your name, account number, address, phone number and employer. Most of you are RHD employees but for members who have left RHD please make sure we have your correct employer.

When Trouvaille merges with American Heritage, we will be sending over all your account information which includes the following: Savings, drafts, loans, clubs, IRA's, certificates of deposit, past statements, and histories on your account.

You will be receiving a letter from us in September informing you about the meeting to vote on the merger. The meeting will be held at American Heritage on October 20, 2023, at 4 pm if you want to join in person. The staff of American Heritage will be available at that meeting to answer all your questions. You can also join via zoom. If you cannot join the meeting, you can vote by mail or in person at TFCU by the morning of October 20, 2023. There will be a stamped address envelope enclosed for you to mail or drop your ballot in the ballot box in the TFCU office. All members who are in good standing as of September 1, 2023, and 18 years of age or older are eligible to vote.

EXTREMELY IMPORTANT INFORMATION FROM TFCU'S BOARD OF DIRECTORS
